

MOSCOW CHARTER SCHOOL

Science • Technology • Engineering • Arts • Math

SCHOOL LUNCH PROGRAM

Moscow Charter School serves FDA approved hot lunches. The lunch is prepared at Lena Whitmore Elementary School and transported to Moscow Charter School. Lunches are served in the Multi-Purpose Building. A monthly menu will be posted in the school, posted on our website [here](#) or available upon request from the office.

Hot Lunch: \$4.00
Milk: \$0.50
Reduced Lunch: \$0.40
Reduced Milk: \$0.35

Lunch payments should be made in advance and a positive balance should be maintained in the student's account. You will be notified as soon as the balance drops below \$0.00, and at this time an additional payment needs to be made within 3 business days. Once per month, the business manager will send each family a statement of their account. Any unpaid invoices greater than 30 days old will be assessed a 5% finance charge at this time. Seriously delinquent accounts will be turned over to a collection agency for collection.

The recommended initial payment at the beginning of the school year is \$50.00. On-going payments should be sufficient to cover one month of lunches and milk.

Payment Options: Moscow Charter School does not accept credit cards, checks or cash are welcome. If you send cash with your child, please put it in a sealed envelope with your child's name on it.

FREE & REDUCED LUNCH PROGRAM Moscow Charter School participates in the [Free and Reduced School Lunch Program](#) for all students who qualify. Families are required to apply each year, even if they qualified last year. Please fill out a Free & Reduced Lunch Application and return it the office on or before the first day of school.

The funding for the Title I reading assistance program and other valuable school programs are determined by the percentage of families that qualify for the Free & Reduced Lunch Program.

Please fill out and submit an application even if you do not intend to use this assistance.

By signing this form I understand that I am required to keep a positive balance in my student's account, and I will reimburse the school promptly when/if my child receives a hot lunch.
